

THE 3.905 CENTURY CLUB, INC.
100-POINT AWARD APPLICATION
(EACH NET SEPARATELY)

The 100-Point Certificate is earned by making contacts with call signs representing Combos, YLs, 2-Letter Calls, DX, or located in State Capitals. You may use any one category or any combination of the categories listed to obtain the 100 points. This award may be earned for each band/mode combination for which **The 3905 Century Club, Inc.** operates a net. Earning your first 100-Point Award (on any of our nets) confers full voting membership in **The 3905 Century Club, Inc.** **When applying for other awards, you must hold a 100-Point Award on at least one net applicable to that other award as a requirement for receiving that award. You may apply for both awards at the same time.**

DEFINITIONS:

- STATE CAPITAL** – A station physically located within the geographic capital city of a state. Cards must be from capitals of **DIFFERENT** states, no duplicates. (Value of 10 points each)
- COMBO** – Two people in the same immediate family, checked into the same net session, from the same QTH. (See Definitions in the Bylaws, Article VI, for more detailed information on specific eligible family members.) (Value of 10 points each combo.)
- 2-LETTER CALL** – Any call sign with 2 or less letters in the suffix. (Value of 5 points each.)
- DX** – DX is any entity listed in the **ARRL DXCC List** except the 50 states of the United States and the District of Columbia. Stations on boats and planes operating legally within the 12-mile territorial limits of a DX entity as previously defined are considered to be DX operating from that entity.

REQUIREMENTS:

1. All contacts must be made on **The 3905 Century Club, Inc.** nets and must be on the same band and mode.
2. Each call sign can be counted in only one category. **DO NOT** enter any call sign in more than one category, or more than once on this application.

EXCEPTION: Any call sign modified by PORTABLE or MOBILE, and location, is considered a different call sign for the purpose of this award. A call can be fixed, portable and mobile in his home state, and portable and mobile in the other 49 states or DX, each qualifying as a “different” call sign. (See Definitions in the Bylaws, Article VI.)

NOTE: No call sign may be used more than once on any of the progressive system awards; i.e., the awards issued for 100, 500, 1000, 2000, etc., points. Once a call sign is used to apply for any progressive award, it may not be used to apply for any other progressive award. Cards used on progressive awards may be reused to apply for non-progressive awards.

3. Wild Cards and Super Wild Cards may not be used on the 100-Point Award application. A Wild Card is a person who has earned the 1000-Point Award. A Super Wild Card is a person who has earned the Master’s Degree Award.
4. When entering call signs, mobiles must be entered with /M and portable calls with /P following the call sign. Also include the state or DX entity.

EXAMPLE: AA1ZZ /M VT, KP4/AA1ZZ /P, VE3/AA1ZZ /M

SUBMITTING APPLICATIONS:

1. Complete the application form. Place your QSL cards in the order that you have them listed on the application form. Make sure your correct mailing address is on your application and that all information is complete and legible. Do **NOT** submit more QSL cards than required for the 100 points.
2. To submit your application, enclose your QSL cards, the awards fee, a suitably sized **self-addressed** container with adequate postage for return of your QSL cards, and the completed application form, in a suitable container for the protection of your cards. **If you pay by any means other than Paypal, include a stamped envelope addressed to the Club Treasurer for forwarding your payment to the Treasurer.** Send all to the Area Awards Manager for the Call Area in which you live. Your QSL cards WILL NOT be returned unless YOU provide the required return postage-paid, **self-addressed** container. Names and addresses for the Awards Managers may be found on the Club website at <http://www.3905ccn.com/officers.htm>.
3. **The fee for this award is \$5 (USD), or \$4 (USD) for those 65 or older or disabled.** A one-time proof of age or disability is required and will be kept on file. Your best available documentation should be acceptable. There is no fee for endorsements. Any awards fee must be sent by check or money order in US dollars made payable to **The 3905 Century Club, Inc.** You may also pay using Paypal thru the Club Web Site. Fees for multiple awards applied for at the same time as well as fees for plaques that are optional for some awards may be combined in this check, money order or Paypal payment, but do **NOT** include any other costs in this check or money order.
4. Charter Members are exempt from the fee for the 100-Point Certificate.
5. The postage for the return of your QSL cards must be applied to the return container, or enclosed separately. DO NOT combine with the awards fee. Check, money order, or postage stamps are acceptable for return postage.

HELPFUL ADVICE:

- It's a good idea to review the 100-Point, 500-Point and 1000-Point applications at the same time so you can see all the requirements for these awards, allowing you to make the best use of your QSL cards. Remember, you can only use each call sign once throughout the entire progressive award series. (**See exception under Requirement #2.**)
- Continue to work toward your 500-Point endorsement and 1000-Point award while you are waiting for your 100-Point Certificate. Your certificate number will be announced on the net and the Awards Secretary will mail your certificate to you.
- Since no call sign used on one progressive award may be reused on any other progressive award, it is to your benefit not to use QSLs from categories that will be badly needed on later progressive awards. It is advisable that you reserve cards from "rare" states, with "rare" call sign prefixes, as well as all DX contacts, for use on later progressive awards. If you can achieve the 100-Point Award by using only contacts with state capitals in states that are relatively easy to contact, and without using any contacts with hard to find call sign prefixes, this is the best approach to take for the 100-Point Award. You will need the cards you don't use for later progressive awards.

PLEASE MAIL IN ONLY THE FORM ON THE LAST PAGE WHEN SUBMITTING YOUR APPLICATION !!!

KEEP WORKING TOWARD YOUR 100-POINT AWARDS ON OUR OTHER NETS!!!
