NOPUI was unavailable to attend due to work schedule.

Submitted by NJ9T for the Board of Director Secretary NOPUI

Master #25
Secretary to the BOD

Since I was mobile at the Dec meeting, I was not writing down the minutes. I have not received any minutes taken, but the agenda was: Minutes and Financial report, closing of nominations for the election and adjournment. We can go with this, or if someone can fill in the blanks, looks like 40 meters tonight.
